

# VFR flight into IMC conditions and Pilot Preventive Aircraft Maintenance

We are honored to have Dan Joes as our speaker. Dan is a Designated Pilot Examiner for the Houston District Flight Service Office and a pilot for United Airlines. Dan is also owner/operator of Dan Jones International Airport.

Dan's wealth of experience as an avid general aviation aviator, airline pilot and DPE will give us a tremendous insight into the difficulties encounter the the VFR pilot's inadvertent flight into IMC conditions.

Dan, who is also a mechanic, will speak on pilot's preventative aircraft maintenance.

**Directions:** From 2920 - Turn onto Stuebner Airline. Take the first gate on your right and follow the signs to Texas Flight. From Spring Cypress turn North on Stuebner Airline. Take the 3rd entrance and follow the signs to Texas Flight. Use the call box to call Gill Aviation for entry.

## A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at [www.FAASafety.gov](http://www.FAASafety.gov)!
